Dear Justis;

On behalf of the Dr. Peter AIDS Foundation and the Passions' Committee - **thank you** for your support to Passions – our annual fundraising small gala. 14 of Vancouver's top chef came together for one night only and served gourmet sensations to 200 guests.

This year Passions raised over \$70,000 for the Dr. Peter Centre and the funds raised help provide comfort care, nutrition, therapy and health care for people living with HIV/AIDS. Dr. Peter Centre's model of care is highly effective in improving and stabilizing the health of its participants - who for many - turn to the Dr. Peter Centre for their primary resources in health care and support.

Your auction donation is truly appreciated and on behalf of all of us here – **thank you!**

Warmest regards,

Leah Kruk
