

Dear Denman Bike Shop Ltd,

Thank you to Denman Bike Shop Ltd from all the staff at **Out On Screen** for supporting our 2009 lottery! Each summer the lottery raises almost \$10,000 for our **Out in Schools** and **Queer History Project** programs. Out in Schools brings independent queer film into BC high schools to initiate discussions with students about homophobia, bullying and safety. To date the program has reached over 12,000 students. The Queer History Project aims to produce a lasting body of work that will enable our communities' stories to be shared for generations to come. This is accomplished through commissioning films and an interactive website.

Without the support of amazing partners like Denman Bike Shop Ltd Out On Screen would not be able to run such important programs. I commend Denman Bike Shop Ltd and the work they are doing in our community.

Kind regards,
