Dear Justis,

RE: Donation to Wine & Cheese Auction 2007

On behalf of Haro Park Centre, I wanted to thank you for once again donating a bike for the raffle at our Wine & Cheese fundraising event on March 10, 2007. We are very pleased and appreciative that you have decided to participate and support our event. The bike raffle was hugely successful last year and we expect the same sort of response this year. Denman Bike Shop will be fully recognized for the donation on our website and in our print material and signage for the event.

This annual event is our opportunity to raise funds that we need in order to continue providing the programs and services our residents enjoy. With your support, elders will continue to enjoy the benefits of art, music and horticulture therapy, exercise programs, bus outings and excursions such as visits to the aquarium and art gallery. Some of the money raised will also be used to purchase personal items and medical equipment for elders with limited means.

Once again, thanks for your support of our event. We are very proud of the calibre of care that we provide to our residents and it's wonderful to have generous donors help us with that.

I look forward to seeing you at the event. I am enclosing two complimentary tickets as a small token of our appreciation of your support and generosity.

Best regards,
