Dear ~~Mr. Morginn~~,

On behalf of everyone at Haro Park Centre, I would like to thank you for your support and donation to our 5<sup>th</sup> Annual Wine & Cheese live and silent auction event in early March.

Our night was very successful again this year which we owe so much thanks and appreciation to you for your continuing support of our organization and our Wine & Cheese over the past years.

It's always nice to see familiar faces attend our fundraiser, and even more rewarding when you hear them mention that they want to bid on an item they liked last year. It shows that we are not only building up a valuable relationship with our attendees and donors, but that our event itself is starting to have a "feel" and an expectation. It's good to know that people look forward to this annual event and will continue to support our valuable cause and ensure our elders receive the quality programs and services they deserve.

Much of this shaping is due in large part to you and the support you've given us over the years. We really appreciate it and cherish the relationship we have cultivated. I hope that next year we can again count on your support as the event certainly wouldn't be the same without your contribution!

All our donors were recognized in our event program and on event signage to ensure that your contribution to the success of our event was known to all and how important you are to the success of Haro Park Centre.

Thank you so much for helping us this year! The winner of this year's bike couldn't have been more in need of a lucky break. I'm so pleased she won, it really helped her out. So feel very good about your donation-it helped to raise a lot of money and went to someone very deserving.

Sincerely,
